Harmonic Renewal Center

About Your Visit

1. **Prior to your session** we recommend that you drink 100oz of water for 3 days. This hydrates the body and is a great conducer for sound waves. Eat a clean diet and try to abstain from unnecessary drugs and alcohol.

2. **Plan to dress comfortably when visiting the Harmonic Renewal Center LLC**. We also ask you to refrain from wearing any perfumes or colognes. All metal, including jewelry must be removed for the session. Pacemakers and implanted metal are permissible. You will not be wearing your shoes so socks are in order.

We suggest you be prepared to relax during your session. It doesn't matter whether a person sleeps, and it doesn't matter if your eyes are open or closed.

3. **During the session** you will recline in a zero-gravity chair inside the chamber for 33 minutes enveloped in light and sound. After which there is an 11minute integration period of silence. You will be able to see the inside of the chamber. It will feel enveloping. Your body will be wrapped in sound. The music is chosen to be in harmony with your intent for the session. The lights glow gently. You will not feel claustrophobic but if you are worried about it, there is a door chime that will call us and we will stop the session.

4. **Use the time to relax and heal**. Long walks and hiking, shopping and strenuous exercise are discouraged after sessions. Your health is the most important thing. It should be your priority in life above everything else. Your health allows you joy, love, productivity and creativity to flourish.

5. **Should you plan more than one visit?** Everyone is different; the number of sessions is dependent on the individual. Please discuss this with the practitioner after your session. Most people need 4-10 visits to see good results. We do have packages available for purchase. After you achieve the level of wellness you wish to achieve maintenance sessions are recommended.

Factors that can be controlled by the individual which would aid the healing process are: drinking the required water, eating a good diet and staying away from stimulants such as coffee, tea and nicotine/marijuana, eliminating the use of alcohol or drugs, avoiding emotional, environmental or physical trauma, getting enough rest and the *big one*…try to avoid STRESS.

6**. Please reschedule any** blood work, massage, acupuncture, biofeedback, cranial sacral, EMDR, use of the BioMat or any other energy work for 5-7 days after doing a single session. The body needs time to lock in and adjust to the work that was done in the chamber; other energy work may impede the process.

7. **Commit to drinking about 90 ounces to a gallon of water a day** for about 5-7 days after a session. This will help remove the impurities that were released during your session
